# YOU ASKED FOR MORE!

Following the runaway success of *Practice Makes Perfect*, bridge teachers asked the authors to produce a similar companion book to *25 More Bridge Conventions You Should Know*. And here it is — a brief summary of each of those 25 more conventions, together with example hands that can be dealt out and used to apply your new knowledge.

**BARBARA SEAGRAM** (Toronto, Canada) is one of North America's best-known bridge teachers, and is a popular speaker on cruise ships and at bridge events throughout the world. There are well over half a million copies of her various books in print.

**DAVID BIRD** (Southampton, UK) is perhaps the most prolific bridge writer of all time, with over 135 books to his name. He also contributes regularly to bridge magazines around the world and provides commentary on high-level events on BBO. His most recent MPP book is *Trick One*.
