HERE'S A BRIDGE BOOK THAT'S JUST GOOD FUN!

Actually, we don't guarantee that you won't learn anything while you're reading it, but that's not the main purpose of this book. Here are just a few of the things you'll get to do in these pages:

- Think about whether it's better to be lucky or good
- Learn Colbert's Rules, and when to apply them
- Find out how Restricted Choice applies to TV game shows
- Study the Shoe's 3-minute Guide to Winning Bridge
- Discover the psychological laws that drive us to play this game
- Stay up all night with David Silver playing for money
- Follow Alice into the Wonderland bridge club
- Solve bridge-related puzzles

If you're not afraid to own a bridge book that will live by your bedside and keep you up reading it far too late at night, go ahead – take it home!

RAY & LINDA LEE were the founders and publishers of *Canadian Master Point*, which was Canada's national bridge magazine in the 1990s. Both have had long careers as bridge journalists, and their work has been published in magazines throughout the bridge world as well as in tournament Daily Bulletins at world and national championships.
